

## City of Bullhead City PERMIT VALUATIONS AND FEES

### A3.40.021 – BUILDING DIVISION

PLEASE NOTE: The Building Official shall make the determination of value or valuation under any of the provisions of these codes. The value to be used in computing the building permit and building plan review fee shall be the total value of all construction work for which the permit is issued, as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire extinguishing systems, and other permanent equipment. The Building Official, in accordance with building industry standards, may determine valuations of buildings or structures or other projects not specifically listed.
