

CITY OF BULLHEAD CITY SIGN

This list has been compiled in order to outline the most common type of Sign Installation submittal. All requirements for a specific project type may not be listed. It is the applicant's responsibility to verify specific conditions of approval. If you have questions contact City staff for clarification prior to submittal at 928-763-0123. Failure to provide a complete submittal, as outlined below, may cause delays in the processing of your permit.

GENERAL REQUIREMENTS FOR PLAN SUBMITTAL:

- One (1) completed permit application worksheet.
- Two (2) copies of 8 1/2" x 11" site plan.
- Two (2) complete sets of PLANS.
- Plan review fees are collected at the time of submittal.

Items that require design by a registrant, per the building code or the Arizona Board of Technical Registration, are to be sealed and signed by an Arizona licensed registrant. City ordinance requires one set to contain the registrant's original signature the second set can be a copy.

PLANS:

To be on minimum 8 ½ " x 11" sheets, fully dimensioned and to scale, to include:

- Site Plan
- Plans
 - o To include but not limited to: materials, heights, dimensions, installation details and square footage.
 - o Text and logos.
 - o Some signs require design by an Arizona licensed registrant. Contact Planning staff for clarification regarding your proposed sign. 928-763-0123 www.bullheadcityaz.gov
 - SEE PAMPHLET NUMBERS 9 THRU 14 FOR MORE SIGN REQUIREMENTS
- Electrical Plans (as applicable.)

OTHER REQUIRED INFORMATION:

Contractor

- General Contractor:
 - o Provide contractor's AZ Registrar of Contractor's license number.
 - o For projects with a valuation of \$50,000.00 or more, contractors are to provide a copy of their Arizona Department of Revenue, Bond Exemption Certificate or a One-time Bond Exemption.
 - Provide contractor's TPT number.
 - o Provide contractor's City of Bullhead City business license number.

GENERAL INFORMATION

- See permit "Building and Zoning Permits Guide" for review timelines.
- Separate permits may be required for other related work.
- A separate Flood Plain Development permit is required for freestanding signs if lot is in a FEMA designated flood zone.

PERMIT INFORMATION:

- A twenty-four (24) hour inspection request line is available, call (928) 763-0172.
- The permit inspection card must be posted on the construction site at all times.
- The approved plans must be on the job site for all requested inspections
- Prior to digging call Arizona Blue State, Inc at 1-800-STAKE-IT (1-800-782-5348).

ADOPTED BUILDING CODES (with local amendments):

- 2018 International Building Code
- 2017 National Electric Code
