Together, We Make Bullhead City Shine.

Do you enjoy helping people get where they need to go? The Bullhead City Transit Department offers volunteer opportunities where YOU can make a difference in the lives of riders by keeping transportation running smoothly, safe, and friendly. From assisting passengers to supporting operations, there's a role for you in Transit!

Rider Assistance

- Help passengers with boarding and exiting the bus safely.
- Provide information about routes and schedules.
- Offer a friendly face to make riders feel welcome.

Transit Stop Support

- Assist with keeping bus stops clean and accessible.
- Report maintenance needs or safety concerns at stops.
- Help post updated schedules and notices.

Operations Support

- Provide clerical support like filing, data entry, or answering phones.
- Assist staff with distributing rider information materials.
- Help track rider feedback and surveys.

Community Transit Programs

- Support paratransit services by assisting drivers with passengers.
- Escort or guide riders with mobility challenges as needed.
- Provide companionship during trips to appointments or errands.

Why Volunteer?

- Help residents access jobs, healthcare, and community resources.
- Gain experience in transportation and customer service.
- Meet people from all walks of life and make meaningful connections.
- Be part of keeping Bullhead City moving forward.

How to Join
